

Producto

Nombre **PRO POWER PP1500 SILVER**
Fabricante **PRO POWER**
Precio **2 417,36 €**

Descripción

DISPONIBLE 1 UNIDAD EXDEMO

COLOR SILVER

PP1500hv Regenerador de Voltaje de Alta Gama

[Descripción](#)

Supreme Audio Power AC Regeneration

CH SONIDO

TODOS LOS PRECIOS MOSTRADOS SE ENTIENDEN SIN IVA

For the first time, your system is de-coupled from the local power utility, regardless of the line conditions, your audio system always receives perfect, stable, noise-free and distortion-free power, 24 hours a day
Best power source for high end audio amplifier and equipment
Takes care of surge / sag / voltage / current / waveform / frequency issues and generate perfect sine wave to power your high-end sensitive devices

Features

Robust full bridge power inverter generates pure sine wave AC
Controlled by top brand Renesas digital signal processor
Astonishing power purification and condition technology
Noise filtration and low distortion
Advanced frequency stabilizer protect high-end sensitive equipment
Very high efficiency; green product
Superior cooling design and absolutely quiet
Wider input voltage range compared to competitive brands
LCD control panel and display
Modern, state-of-the-art mechanical design

1500hv Specifications:

- 1500 VA/1150 watts continuous load
- 6 Schuko / UK / AU / NEMA / Custom * outlets
- Programmed outlets (including 1 high current outlet)
- Output waveform select
